FOOTNOTES:

1. According to Sections III and IV of the 1992 Reregistration Eligibility Document for Allium Sativum (Garlic), EPA waived the 40 CFR Part 158 generic data requirements.
2. According to Sections III and IV and Appendix B of the 1992 Reregistration Eligibility Document for Allium Sativum (Garlic), EPA has determined that these generic data requirements are deemed "satisfied" and does not provide any MRID or Accession Numbers.
3. According to Sections III and IV and Appendix B of the 1992 Reregistration Eligibility Document for Allium Sativum (Garlic), EPA has listed "470028026" as the citation that fulfills the generic product identity data requirement. This number does not appear in the NPIRS database, so the submitter and study date (status) cannot be determined.

FOOTNOTES:

1. According to Sections III and IV of the 1992 Reregistration Eligibility Document for Allium Sativum (Garlic), EPA waived the 40 CFR Part 158 generic data requirements.
2. According to Sections III and IV and Appendix B of the 1992 Reregistration Eligibility Document for Allium Sativum (Garlic), EPA has determined that these generic data requirements are deemed "satisfied" and does not provide any MRID or Accession Numbers.
3. According to Sections III and IV and Appendix B of the 1992 Reregistration Eligibility Document for Allium Sativum (Garlic), EPA has listed "470028026" as the citation that fulfills the generic product identity data requirement. This number does not appear in the NPIRS database, so the submitter and study date (status) cannot be determined.
